Dance Arts Project operates its curriculum from September through June.

The first half of the dance school year concentrates on the foundations of dance as students are settling in to their classes. From January through June, work begins on a show that rounds out the year. Summer dance camps are offered in July and the studio is closed in August.

New student enrollment, as space allows, is from September through November 2024 only. If you know any aspiring dancers, please send them our way!

There are no refunds for missed classes nor may classes be pro-rated. Have to miss a class? Classes can be made up throughout the year. Lastly, please take note of our new tuition prices, effective Fall of 2024.

We are thrilled to be back in the studio and dancing with our students! Here's to a lovely year ahead!
